Here's the confirmation details we received. UBS never received. Not sure the issue may be at Verivend or elsewhere in the process?

Hi Rodney,

Received a note from Tim H. at Steel Bridge Labs and we spoke briefly.

A back-to-back Zoom Monday as usual. In the office the rest of today and most of the rest of the week besides some meetings in the morning usually and mid/late afternoons again.

Seth

Seth – Trying this email in addition to the one I sent before. Could you please give me a call at your convenience? You can reach me directly at 716-472-9559. There is a matter I'd like to discuss with you.

Best,

Rodney Reisdorf
